**REGISTER NOW FOR AGILE ON THE GREEN PREMIERE GOLF CHARITY**

**TO BE HELD OCT. 5 AT BEAR'S BEST**

***All Proceeds to Support Early Detection of Breast Cancer through Susan G. Komen for the Cure Greater Atlanta Affiliate***

**ATLANTA – July 30, 2009** – [Agile](#), one of the region's fastest growing IT talent firms, announced today that the company's premier golf charity event for Atlanta's technology community, [Agile on the Green \(AOTG\)](#), will take place on Monday, Oct. 5, 2009, at [Bear's Best](#) in Duluth, Ga.

The event over the last six years has raised \$100,000 to benefit [Susan G. Komen for the Cure Greater Atlanta Affiliate](#).

"All net proceeds this year will stay in the local community to focus on early detection of breast cancer," says AOTG Founder and Agile CEO Tricia Dempsey, herself a six-year breast cancer survivor. "One out of three Georgians have gone without health insurance in the last two years so it is more critical than ever that we focus our efforts on early detection funding."

The charity event includes an 18-hole scramble format followed by a cocktail hour and dinner and awards reception. Highly coveted technology executives have signed on as VIPs, including CIOs from Home Depot, Georgia Power, McKesson and Cox entities, AutoTrader.com, Cox Communications and Cox Enterprises.

Companies can take advantage of early bird registrations now. Registrations are available in four categories of sponsorship ranging from \$600 for individuals up to \$15,000 for a four-player team. Click [here](#) to learn more about sponsorship opportunities.

### **About Susan G. Komen for the Cure Greater Atlanta Affiliate**

Susan G. Komen for the Cure Greater Atlanta Affiliate serves as a local resource for those seeking opportunities for screening, treatment and support. Through annual events, including the Race for the Cure, Komen Atlanta raises funds to support breast cancer outreach projects and programs.

Nancy G. Brinker promised her dying sister, Susan G. Komen, that she would do everything in her power to end breast cancer forever. In 1982, that promise became Susan G. Komen for the Cure and launched the global breast cancer movement. Today, Komen for the Cure is the world's largest grassroots network of breast cancer survivors and activists fighting to save lives, empower people, ensure quality care for all and energize science to find the cures. Thanks to events like the Komen Race for the Cure, Komen has invested nearly \$1 billion to fulfill the promise, becoming the largest source of nonprofit funds dedicated to the fight against breast cancer in the world.

### **About Agile**

Agile is an IT talent firm that gives technology leaders in the Southeast the fastest route to top talent.
